Software Engineering, BYU-Idaho

3.6 GPA – GRADUATING SPRING 2023

Employment

Store HR Representative, Broulim's Fresh Foods

JANUARY 2020 – PRESENT

- Sole hiring manager for a store of over 250 employees
- Maintained positive relationships and effective communication with all department heads and employees
- Hired over 100 new employees including onboarding, training, orientations, certifications, and evaluations
- Professionally assisted in disciplinary actions including creating improvement plans with managers and employees

Shift Lead, Taco Bell

APRIL 2018 – DECEMBER 2019

- Operated in training and management positions where maximizing composure and efficiency during high stress situations was vital.
- Mastered every store position and adhered to company standards and compliance requirements for operation and cleanliness.
- Encouraged creativity and having an open mind to criticism and improvement.

Patient Access Specialist, San Joaquin Nursing & Rehab Center

OCTOBER 2017 – MARCH 2018

- Interacted directly with patients daily and reported on their well-being.
- Created innovative solutions to unique problems in projects and day to day operations.
- Collaborated and excitedly contributed to my department in a way that orchestrated innovation and connected inspired ideas.
- Connected all departments together in patient care and effective communication.
